DISPATCH		SECRET	EONA 18300
TO	Chief of Base, Munich EE, COS		[] FFM X PEKELSKY
FROM	Chief of Base, Bonn	11 January 1960	
SUBJECT	DIZTAG/CART/Operational Vladimir PEKELSKY	RE: "433" - (CHECK "X" ONE) MARKED FOR INDEXING NO INDEXING REQUIRED INDEXING CAN BE JUDGED BY QUALIFIED HQ DESK ONLY	
ACTION REQUIRED	See below		
REFERENCES: A. EONW 1746 of 19 November 1959 - <i>subject as above</i> B. EONA 46591 of 21 December 1959. <i>no record</i>			
<p>1. The information concerning Subject as contained in reference A was passed to the BfV on 30 November 1959. Attached (for MOB only) is a copy of our memorandum to the BfV. Please note that we described our sensitive source as reliable and with access to information on Czech Intelligence activities. We purposely refrained from telling the BfV that our source is located in Prague not only for security reasons but also to avoid the obvious requirements which would have followed. In passing our memo on PEKELSKY to the BfV TAMBLYN commented that he knew nothing further about the source but assumed it to be a DA being handled by a case officer with a loose tongue. This was in response to a comment by the BfV's Karl Nuehlen to the effect that our source must be a good one to be in a position to furnish such a lead. If MOB passes the PEKELSKY lead to UPSWING it is suggested that source description be sterilized along the same lines.</p> <p>2. We will prod the BfV periodically to find out how their investigation of the PEKELSKYs is proceeding.</p> <div style="text-align: center; margin-top: 20px;">[] []</div>
